To 13 plans

Office of the Chairman,
City Improvement Trust Board,
Bangalore City, Dated 23rd June 1947.

SYED ABDUL ALEEM, ESQ, B A, -

Secretary to Government,
Revenue Department,
BANGALORE.

Sir,

Subject:- Remodelling the old City of -
Bangalore in the neighbourhood of Sul-
tanpet, Bangalore City.

Adverting to Government Order No L.14523-31/M1-13-46-95 dated 21st April 1947 sanctioning the estimate for Rs.35,129/- in respect of the above scheme and asking me to take up a planned Scheme of development in this area, I have the honour to state that when Declaration Statements for notification of the properties to be acquired in this connection were about to be prepared under Section 18(1) (a) of the Act, it came to my notice that a substantial portion of property bearing Municipal No 183 required in this connection had already been acquired by the City Municipality and that the award was about to be passed in respect thereof. The Municipal Commissioner was therefore requested to enlighten me on this point. In reply he has stated in his letter No S L A 96/46-47 dated 20th May 1947 ~~stating~~ stating that out of three properties proposed for acquisition, one belonging to Mr S Raja Iyengar, bearing Municipal No 183 (in Tharagupet - Sultanpet Road) had already been acquired for constructing a Bathing Ghat and a Play Ground and the awards had ^{to be} ~~also been~~ passed in the case. This was brought to the notice of the members of the Board at its meeting held on 27th May 1947 and it was also explained that as the Municipality had already started acquisition proceedings in respect of a substantial portion of the above property belonging to Mr Raja Iyengar and as the stage of

P.T.O.

of passing award had also been reached was felt that -
the Trust Board should leave it to the Municipality itself
to complete the acquisition proceedings in respect of this
property so that re-notification for the acquisition of the
~~per~~ property with consequent complications could be avoided.

The Board resolved:-

That the Declaration Statements in respect of
other properties except those of Mr S Raja Iyengar
under acquisition by the City Municipality be pre-
pared and sent to Government for publication and -
that the Municipality be requested to hand over -
charge of Mr S. Raja Iyengar's properties after com-
pletion of the acquisition proceedings to be used -
for the purposes mentioned in the Municipal Scheme

so that the latter property may be utilised for the original
purpose for which it was acquired by the City Municipality.

I am accordingly sending herewith Declaration State-
ments in duplicate both in Kanarease and English in respect
of the remaining properties to be acquired in connection
with the above Scheme, with a request that orders of Govern-
ment may kindly be obtained to have the Declaration State-
ments notified in the Official Gazette fifteen spare copies
of the Notification being arranged to be sent to this Office
for local publication

I may add that this alteration in the execution of the
Scheme is quite in order as per Section 18(2) (a) of the Act.

I have the honour to be,
Sir,
Your most obedient servant,
C. N. Narasimha
CHAIRMAN.

Sir,

Subject - Acquisition of properties re-
quired for remodelling the old City
of Bangalore, in the neighbourhood of
Sultanpet, Bangalore City.
=====

With reference to your letter No.L.1776/W R
dated 11th instant enquiring why the properties bearing
D No.183, belonging to Mr.S Raja Iyengar are included -
in the Declaration Statements sent by this Office when
it is definitely decided by the Board to acquire proper-
ties other than those of the said gentleman and in view
of the fact that the Bangalore City Municipal Council -
are taking action to acquire these properties, I have the
honour to state that it was originally intended to acquire
the whole of the property - 'A' 'E' 'F' 'G' 'H' 'B' shown
(Flag 'A')
in the accompanying plan/and sanction of Government was
obtained to the Schere in Government Order No L.145255-31/
ML.13-46-95 dated 21st April 1947 But it was noticed -
later that a substantial portion of it 'C' 'D' 'E' 'F' 'G' 'H'
(marked in Blue pencil) had been notified for acquisition
previously by the Municipality, as per Government Order
No.L.9800-03/ML.23-46-60 dated 10th January 1947

The Board thereupon resolved ~~to~~ ~~acquire~~ the portion of No.183, excluding the area notified for acquisition already by the Municipality. This has been brought to the notice of Government in this Office No.3511 dated 23rd June

The Resolution of the Board is as follows -

"RESOLVED that the declaration statements in respect of other properties except those of Mr Raja Iyengar under acquisition by the City Municipality be prepared and sent to Government for publication and the Municipality be requested to hand over the charge of Mr Raja Iyengar's property after the completion of the acquisition proceedings to be used for the purposes mentioned in the Municipal Scheme,"

It is ^{also} seen that the Board has ^{further} ~~also~~ resolved that after acquisition by the Municipality the portion so acquired should be handed over to the Trust Board.

This means that the properties of Mr Raja Iyengar excluding those under acquisition by the City Municipality should be acquired by the Trust Board for purposes of the Trust Board's Scheme and the declaration statement now sent conform to this resolution

In these circumstances, I request that orders of Government may kindly be obtained to have the Declaration Statements already sent, notified in the Official Gazette.

The enclosures received with your letter under reference are herewith returned.
